CONSTRUCTION WORKS ZONE TERMS AND CONDITIONS

Terms and Conditions:

- A Construction Works Zone permits a vehicle to park in the parking lane only. Occupation of/craning over the footpath area or traffic lane is subject to approval of separate applications to Council.
- The Applicant/Plant operator shall comply with Australian Standard AS1742.3 Traffic Control Devices for works on roads.
- The applicant shall undertake to comply with the conditions and requirements of Work Cover Authority NSW and Council Policies
- A copy of Public Liability Insurance must be provided indemnifying City of Canada Bay Council, to a value of no less than \$20 million, against claims from accidents associated with the Construction Works Zone.
- Unless varied due to specific circumstances, the works zone will be timed to operate from 7am-5pm, Monday-Saturday or as per construction work hours permitted by relevant construction approval.

Construction Works Zone application process:

1. The application will be considered at the Canada Bay Traffic Committee and then referred to the Council for resolution. The process will generally take between four (4) to eight (8) weeks.
2. A Construction Works Zone has a minimum period of two (2) months, and a maximum initial period of six (6) months.
3. If your application is approved, the zone will only become active after signs have been installed by Council (approximately two (2) weeks after payment of the Construction Works Zone Permit Fee).
4. The Transport Manager is authorised to approve extensions of the Construction Works Zone approval after the initial six (6) month period, if circumstances warrant such action.

The Construction Works Zone signs will be removed at the earlier of either completion of construction project or expiry of the approved paid period.
